

Competency Statement III

by Aimee Smith

To support social and emotional development and to provide positive guidance.

Functional Area 8: Self

One of my goals for the functional area of self is to promote positive self-esteem. There are many ways to do this, but the main way is to make I plan assignments that are developmentally appropriate. If a child is challenged, then they may lose the confidence in themselves. Another way, I achieve this goal is by setting an example to the children. **PLEASE INCLUDE EXAMPLE FROM YOUR CENTER/FAMILY CHILD CARE HOME.** I show a positive attitude at all times, including when a child is misbehaving or has done something wrong.

Functional Area 9: Social

One of my goals for social is to promote social development in every child. To achieve this goal, I plan activities that the children will have to interact with one another. For example, the children participate in large group games and other fun activities. Children need activities that allow them to work together as a team. **PLEASE INCLUDE EXAMPLE FROM YOUR CENTER/FAMILY CHILD CARE HOME.**

Functional Area 10: Guidance

One of my goals for the functional area, guidance is to provide as much assistance as possible for the children. In order to achieve this goal, I provide a significant amount of support for each and every child, parent, and staff member. I make sure that the parents and children know that they can come to me for any concern, that they may have and I will do my best to provide them with the guidance that they need to be as successful as possible. **PLEASE INCLUDE EXAMPLE FROM YOUR CENTER/FAMILY CHILD CARE HOME.**
