

Competency Statement VI

By CDA Class Participant

To maintain a commitment to professionalism

I am going to maintain a commitment to professionalism by pledging to be a life long learner and to take advantage of the many opportunities to further improve my competence in early childhood education and development, and better understand the needs of families and the children in my care. **PLEASE INCLUDE EXAMPLE FROM YOUR CENTER/FAMILY CHILD CARE HOME.**

I pledge to practice what I preach and perform to the best of my ability every day to ensure that all children in my care will be receiving the appropriate educational foundation that all children need and deserve, and high quality care. I can only hope that my passion and love for caring and educating young children encourages others to find out what they're truly passionate about, gain an education, and pursue what they love to do. **PLEASE INCLUDE EXAMPLE FROM YOUR CENTER/FAMILY CHILD CARE HOME.** partly due to the early educational foundation I had a hand in building.
